Eight (8) Commissioners attended the September 20, 2016 general meeting of the San Francisco Juvenile Justice Commission (JJC).

- There is a new Assistant Principal for Court Schools and New transition specialist working with alternative schools.
- Last month, 30 young people participated in the annual Teen Outdoor Experience at Camp Mather. Chief Nance shared that this group was the best, most well-behaved and respectful group of youth they have taken. Almost all youth applied for employment while at the camp.
- The Blue Water Foundation, a non-profit sailing group working with the SF Unified School District and Probation Department, took a group of boys from Log Cabin Ranch on a 40 ft. sailboat on the Bay. The youth were paired with an adult mentor and were taken around the boat to teach them the different parts and systems of the boat. The youth were engaged and participatory and got to guide the boat, work the sails, and learn about sailing. The next trip is scheduled for October 1, 2016.
- National Night Out took place on August 2, 2016. Communities across the Nation have a present outside to represent their efforts to reduce crimes in their communities and take back the streets. Probation officers, the mayor, and chief of police were among many who participated in the National Night Out event in San Francisco. Community Outreach was done through booths, music, food, etc.
