

Designation of Primary Contact to Represent Patients for Petitions Under Probate Code Section 3200

San Francisco Superior Court (San Francisco, CA)

Due to the pending retirement of the currently designated attorney, the court will be designating a new attorney to be the primary contact to represent patients who are the subject of petitions brought under the provisions of Probate Code section 3200 et seq.

All interested persons are invited to submit an application for appointment to Judge Peter Busch, Supervising Judge of the Probate and Mental Health Division, in Room 202 of the Civic Center Courthouse, 400 McAllister Street. All applications must be dropped off in hard copy. Faxed or emailed applications will not be accepted.

The application shall consist of a current resume and a cover letter detailing the attorney's experience and interest in this field of work.

Applications will be accepted until 1 p.m. on Friday, May 25, 2018.

The court will also be designating other qualified attorneys as alternate contacts in case the primary contact is not available for a particular petition.
