GARRETT L. WONG
PRESIDING JUDGE

July 13, 2020

"The Superior Court of California County of San Francisco joins in the [statement of the California Supreme Court](#) in condemning racism in all its forms, including the persistent systemic racism that continues to this day. We recognize that it is not just a historical problem, and we accept the mandate of the California Supreme Court in recognizing that there is much work left for courts to do to make racial equity and inclusion a lived reality for all. We renew our commitment to that work, pledging to challenge ourselves and our assumptions, to listen and learn more about the impacts of racial injustice, to strive constantly to improve the Superior Court to offer access to justice for all. This is our moral and ethical duty."
